### Your Burning Bush Moment

This Weekend Pastor Paul taught out of Exodus 3. In this passage of Scripture, Moses is met by God in the form of a burning bush. God then gives the dream to Moses of the Israelites being freed from the Egyptians and brought into the Promise Land flowing with milk and honey. God then gives Moses the instruction that HE is the one to approach King Pharoah to free the Israelites.

God has a 'Burning Bush' moment for all Believers. Your purpose and your assignment from God can only be found in Him. Often times, what burdens you the most is a connection point to your God given assignment.

Pastor Paul encouraged us all to treat our CURRENT season with a focus of Holiness. Living a life of purpose means that you embrace the here and now!

Your Burning Bush Moment will Require:

1. Faith in God
2. Hope
3. Trust in God even when you are afraid
4. Divine Curiosity
5. A Servants Heart
6. Getting out of your comfort zone
7. Realizing your pain has a purpose
8. Your Testimony
9. Living for something bigger than yourself

Discussion Questions:

1. What is your biggest assignment right now?
2. What things from your past do you need to release in order to step into all that God is calling you to do?
3. Is there a current 'Burning Bush' moment God is currently calling you to?
4. In what ways can you daily embrace the current place God has you?
